Hi Julia, I think we had three action items from yesterday's meeting with Rep. Carbajal's staff –

- 1) Send a list of the aquifer exemption proposals where the state is conducting a “conduit analysis” – there are three: Cat Canyon, Midway Sunset, and Kern River.
- 2) Send the most recent letters from the state re: status of aquifer exemptions and Class II UIC compliance (letters from Dec 2021 and Aug 2022 are attached).
- 3) Send web link for our CA UIC oversight page: <https://www.epa.gov/uic/epa-oversight-californias-underground-injection-control-uic-program>

Let me know if you need anything else.  
Thanks!
